Express yourself with a fun USB drive that “pops!”

The Cruzer Pop™ USB flash drive is our thinnest drive yet and features cool graphic designs that fit your personality and style. This drive opens with a “pop” to reveal the hidden USB connector, which remains protected from the elements when in the closed position. Available in capacities up to 32 GB*, the Cruzer Pop™ lets you take your photos, videos, homework, and other files with you in a cool and unique design. Plus, SanDisk SecureAccess™ software† is also included to provide password protection for your private files.
